Dear Mr. Odiorne:

We have received the Office of the Insurance Commissioner's Financial Examination of the Charitable Gift Annuity Business of Children's Health Care System dated December 31, 2005.

Children's has reviewed and concurs with the information, comments and recommendations included in your report.

Regarding the comment on Documentation of Closed Annuity Contracts; all deceased annuitant files include notices of annuitant's death from estate executors/personal assistants, communications from family members and obituaries. Many of the files also include death certificates, when provided by annuitant's survivors. We recognize the benefit of including a death certificate in every deceased annuitant file and have implemented procedures to obtain death certificates upon each annuitant's death.

Sincerely  
Children's Health Care System
